Athletic Rules

General

1. Our #1 rule is the DO RIGHT RULE. We expect our athletes to figure out the “right thing” to do, then “do it”.
2. We feel that our athletes must be a good example in the community and especially to the younger children who may look up to them.
3. We expect our athletes to show respect for coaches, teachers, administrators, teammates, and themselves.
4. We want our athletes to maintain proper conduct at all times, not only during school, but after school and during the summer months.
5. In other words, we want our athletes to be the best people they can be, physically, socially, mentally, and spiritually. We want them to become outstanding and successful future leaders of our communities and nation.
